# Buying Tips For
DISNEY AND PIXAR CARS

Choose the toy car size based on your child's age and preference.

Consider choosing die-cast cars for display.

Choose plastic cars made of child-safe and nontoxic materials for children.

Choose the character you or your child like before picking a car based on a movie.

Prefer car sets with multiple cars or theme-based ones, such as race car tracks.

Pick cars with multiple accessories and functions for extended playtime.
