

Storage Ideas

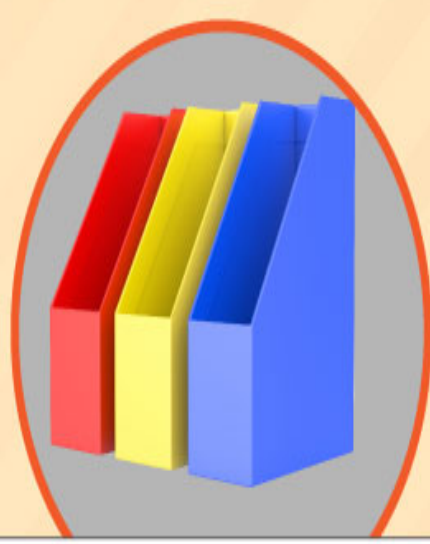

For Crayons, Color Pencils, And Markers

Store them in their original covers or cases for easy identification and segregation.

Use a Crayola crayon-inspired round organizer for creative storage.

Sort them as per colors and shades and stash them in color-coordinated pencil holders.

Utilize transparent and open plastic tray organizers to store the art supplies in a drawer.

Use a rotating pen holder to store crayons, colored pencils, and markers in one place, neatly organized in separate slots.

Choose a modular, stackable plastic drawer to store large crayons, markers, and color pencil sets, saving space in your desk drawer.
